The NAIC is the authoritative source for insurance industry information. Our expert solutions support the efforts of regulators, insurers and researchers by providing detailed and comprehensive insurance information. The NAIC offers a wide range of publications in the following categories:

**Accounting & Reporting**
Information about statutory accounting principles and the procedures necessary for filing financial annual statements and conducting risk-based capital calculations.

**Special Studies**
Studies, reports, handbooks and regulatory research conducted by NAIC members on a variety of insurance related topics.

**Consumer Information**
Important answers to common questions about auto, home, health and life insurance — as well as buyer’s guides on annuities, long-term care insurance and Medicare supplement plans.

**Statistical Reports**
Valuable and in-demand insurance industry-wide statistical data for various lines of business, including auto, home, health and life insurance.

**Financial Regulation**
Useful handbooks, compliance guides and reports on financial analysis, company licensing, state audit requirements and receiverships.

**Supplementary Products**
Guidance manuals, handbooks, surveys and research on a wide variety of issues.

**Legal**
Comprehensive collection of NAIC model laws, regulations and guidelines; state laws on insurance topics; and other regulatory guidance on antifraud and consumer privacy.

**Capital Markets & Investment Analysis**
Information regarding portfolio values and procedures for complying with NAIC reporting requirements.

**Market Regulation**
Regulatory and industry guidance on market-related issues, including antifraud, product filing requirements, producer licensing and market analysis.

**White Papers**
Relevant studies, guidance and NAIC policy positions on a variety of insurance topics.

**NAIC Activities**
NAIC member directories, in-depth reporting of state regulatory activities and official historical records of NAIC national meetings and other activities.
